## Join us for the Jobs & Internships Fair

Even if you don't have a job opening or an internship now, why get caught with an empty prospects folder when you do? Make contact with students from around the Midwest who want to make print and online journalism a career – reporters, copy & section editors, page designers, graphic artists and photographers. It's an easy way for you or your Human Resources representatives to cast a wide net for potential interns or employees. Working professionals can interview from 1-3 p.m. The continued success and growth of this event depends on offering the students – some from hundreds of miles away – contact with as many daily and weekly newspapers as possible. If you're part of a group, please try to have an individual representative for as many papers as possible.

## How to Register

Registration is \$20 per person. Mail registration form and payment to:

The Associated Press

511 11th Ave. S., Ste 460

Minneapolis, MN 55415

Registration deadline is Friday, Oct. 2. If you plan to pay the day of the event, please fax registration form to (612) 342-5299. Mark all correspondence to the attention of Quierston Shepherd, [qshepherd@ap.org](mailto:qshepherd@ap.org). The registration fee includes coffee and pastries (8:30-9 a.m.), lunch and recruiting table fees.

## Set Up Information

Doors open at 7:30 a.m. for recruiters to set up. Be ready to meet with students promptly at 8:30 a.m. when interviewing is scheduled to start. Many students spend considerable time preparing for the fair and tardy recruiters make it harder for them to speak with as many newspapers as possible in the time allotted.
